

PROBATION PERIOD

Definition:

In a workplace setting, **probation** (or **probationary period**) is a status given to new employees of a company or business. ... The **probationary period** also allows an employer to terminate an employee who is not doing well at their job or is otherwise deemed not suitable for a particular position or any position.

PROBATION PERIOD POLICY IN OUR ORGANIZATION

- Probation period will be of minimum SIX (6 months) months from your joining date of employment.
- If you have joined as an intern to complete an internship program, your probation period will start after completing your internship program.
- Your internship will not be considered as your probation period.
- Your probation period can be extended beyond six months based on your performance review at the end of six months probation period.
- Probation period can be extended maximum for two times and up to one year for performance reasons, beyond which your employment may be terminated.
- For Leaves, during probation period, please refer to latest Leave policy
- For Exit, during the probation period, please refer to Exit policy.
- For Termination, during the probation period, please refer to Termination policy.
- For General Conduct, during the probation period, please refer to General Conduct policy.
- For Attendance & Office Timings, during the probation period, please refer to the Attendance & Office Timings policy.
- For work from home, during the probation period, please refer to work from home policy.
- For Reimbursement, during the probation period, please refer to Reimbursement policy.
- For Asset allocation, during the probation period, please refer to Asset allocation policy.
